BASIC TERMS FOR UNDERSTANDING SATANIC ART

Darkness, the abyss is the world of unspiritualized creatures, their states, their stupidity. This is the occupation of planet Earth by usurpers of power in the form of SOCG¹. This is an image of the evil of our world. In some cases, it will mean the opposite meaning, because it is the evil of darkness that gives rise to hell, vengeance and Satanists. "Children of darkness" in this case means Satanists. Also, the image of darkness can mean Hell for the forces of evil. The image of darkness and the abyss is an important and meaningful term in Satanism.

Light is Satan, Lucifer. Light is Satanism and satanic spirituality, bringing man closer to nature. This is liberation from the shackles of evil and this is the image of freedom. This is the image of the tamer of evil in our world and in hell

Sadness, grief, regret is an indication of the understanding that evil has engulfed the whole world and a Satanist has to live in our world, under the yoke of evil. The main sources of evil are: crowds of inanimate creatures, SOCG and religion. This is the definition of the term specifically for Satanism and for Satanists. Also, these images can represent ordinary human emotions towards people.

Vengeance - this image is important for all Satanists. Revenge on evil in our world and in hell. Unspiritualized creatures, leaders of the SOCG, deceivers of religions and other evil will certainly be subjected to vengeance and information entropy.

Returning the earth and returning freedom to people - this image is important for all Satanists. It means the overthrow of all SOCGs and religions, the cleansing of the earth from unspiritualized creatures, from their stupid and senseless evil. This is an image of the cleansing of planet Earth from states and their totalitarianism.

Night is an image of what a Satanist in the world of evil of our world is almost groping. The light for him in the night is his satanic spirituality. Darkness deepens at night and light is needed most at night. The term night is similar to the term darkness, but does not mean evil itself, but uncertainty and difficulty in navigating, acting, and living without light.

Lost, abandonment and abandoned - this image in Satanism means that Satanists are no longer in Hell and that Satan and the forces of Hell are not directly accessible to them. Only through satanic spiritualization. This also means that in our world Satanists do not have their magic to instantly destroy evil, as in hell, in Satan's native dimension.

Religion is a dogma of worship of lies and evil. Religion is a substitution of true spiritualization by Satan for citters. All evil citters are deprived of spiritualization by Satan; therefore, they replace Satanic spiritualization with god and religion.

God is the canon of evil, an example of a despotic, theocratic idol of evil. God does only evil and god is evil, even because he deprives man of true spiritualization by Satan, i.e. the true Holy Spirit. There have been many gods in the history of the human species. All gods of religion are united by malice, connection with the state and with SOCG chieftains.

Satan is not a god. Satan is a Teacher for a Satanist, a spiritualizer, a source of black magic, Alpha and Omega. Satan is the Adversary of evil. Satan is the Accuser of evil. Satan is the Tamer of Evil. Satan is the Father of all Satanists. Lilith is the Mother of all Satanists. Satan and Lilith are the sources of Satanic lust for all their Satanist children. Satan is the inner spiritualization of the Satanist, not the dogmas, sermons of priests or books of religion. At the same time, Satanism does not deny the importance of biological parents.

¹ SOCG is an abbreviation that stands for the true meaning of the state. State Organized Crime Group. The term was coined by Antichrist Slut Sodomia for the Gay-Satanism grimoire "Gay Lust".

PREFACE

The theme of the album-collection SatanArt №19 is Satanic spiritualization in the quantum world of the External Information Field. The theme of the album SatanArt №19 implies complete allegory and abstraction of artistic images.

Quantum representation of reality is studied by different sciences. The history of quantum field theory began in the late 1920s, when Paul Dirac tried to quantize the electromagnetic field. Since then, modern science has already learned to create quantum computers that can be used for applied computing. However, the concept that the whole world consists of information at the quantum level is practically absent in modern science in 2025. Also, there are very few bold scientific works about the quantum field connecting parallel realities of other dimensions. That's not all - modern science does not express bold and correct ideas about the quantum field being the most powerful computer and database. Perhaps some quantum interaction researcher is expressing such ideas in 2025, but Slut Sodomia doesn't know it.

Therefore, I will formulate six main theses of the quantum world of the External Information Field:

1. All that exists consists of quantum information. Matter, thoughts, history, human actions are quantum information.
2. Quantum information is stored for a very long time. The entropy of Hell destroys unnecessary and superfluous information, including evil creatures and the memory of them. The entropy of Hell deals with carriers of intelligence, first of all.
3. The quantum field connects parallel realities (worlds). Black holes serve as tunnels for passage between dimensions. Only quantum information can pass through them. Therefore, no spaceship can fly through a black hole intact. Any physical matter will be subjected to entropy already on the approach to a black hole.
4. The External Information Field is the most powerful supercomputer and the most powerful database.
5. The External Information Field directly controls living nature, physical and chemical processes, biological processes of living beings. Animal instincts and life processes of the simplest living beings are controlled directly by the External Information Field. Therefore, the simplest living organisms and animal instincts are programmed at the unconscious level. There is no evil in them and there cannot be.
6. Intelligent beings can live a conscious and aware life. People are carriers of the mind of the External Information Field. But not all people feel a connection with the External Information Field and live like animals, with the simplest instincts. Those people who reject satanic spiritualization are filled with evil. The forces of Hell are called upon to destroy and correct evil, by the method of entropy or by the method of mental torture of information entities of evil in Hell.

I have given a detailed description of the process of interaction between people and the External Information Field, enough to understand the meaning. Bitch Sodomy does not plan to deal with formulas and calculations of theorems. I have logical proof of the existence of multiple reality, but I will express this proof on the pages of the second grimoire, which I plan to write.

I also cannot prove the presence of spirituality in a person and his connection with the External Information Field. However, any person can independently feel this spirituality by using useful natural entheogens-psychedelics. I recommend simple, useful, accessible entheogens: marijuana, red or panther fly agaric, magic psilocybin mushrooms. The most magical of the entheogens are LSD and DMT (Ayahuasca), but not everyone can find and buy these entheogens. Marijuana has already become legal in many countries of the world in 2025, and almost no country in the world, except for the most inadequate SOCG, has banned fly agarics. The

positive effects of LSD and DMT on the psyche-state of people are already being studied by many universities around the world².

I would like to clarify one important nuance and immediately answer the question of skeptics regarding the use of entheogens. The effect of entheogens is not a clouding of the mind, not a brain invention, or delusional fantasies. There is no reality other than the reality for a person at a given moment in time. Psychedelics expand consciousness and provide a connection with the External Information Field. Even hallucinations are real, but such pictures are not available to other people. This means that for shamans who have seen the world around them in a different way, their understanding of the world has changed. But this is a real perception of the world, opened to them under the influence of keys for communication with other dimensions.

I will make one more remark regarding entheogens. Please do not confuse useful entheogens and alcohol. Alcohol dulls, stupefies and can cause "delirium tremens". Alcohol has nothing to do with entheogens. Alcohol is a destroyer of barriers of perception, a means of degradation, but not an enterogenic key of Satanism. Alcohol is the most popular food solvent, not a psychedelic.

Everyone who has the fire of Satan in them loves special Satanic art. **Therefore, with the help of the SatanArt album of paintings from Slut Sodomia, you can check yourself and other people for belonging to Satanism**

and the presence of Satanic spirituality in you. The result is 100%, unless, of course, a person tries to masterfully hide it, i.e. lie. Moreover, they can lie not only to others, but also to themselves.

Slut Sodomia realized that with the help of the album SatanArt, which she edits, you can make a test for belonging to Satanism and the presence of inspiration by Satan. **Therefore, SatanArt albums are a litmus test for determining Satanism in a person.** For the album SatanArt №19, this also works, but is especially evident in pornographic releases of albums of Satanic visual art.

I believe that visual paintings, just like music, can enhance immersion in Satanism and give Satanic spirituality to people of different ages and nations. These are universal messengers of the ideas of gay Satanism and Slut Sodomia is very glad that so many talented graphic artists are working in the field of Satanic painting. Especially in the last 20+ years, since 2000, there has been a massive emergence of excellent works about Satan, Satanism and Satanists. In literally two decades, there has been a rapid birth and development of the modern art of Satanism. The computer, graphics programs and digitalization of art played a very important role in this. I think that in the future, artificial intelligence and neural networks will also become assistants for many artists of Satanism.

ABOUT THE ANTHROPOMORPHIC AND ALLEGORICAL IMAGE OF SATAN IN THE ART OF SATANISM

Anthropomorphism and allegory in art have a rich and ancient tradition. Depictions of Satan are always anthropomorphic and allegorical because Satan can take any form. No one knows what Satan looks like in his canonical form and such a form does not exist. For a Satanist there may be a personal favorite form of Satan, and this is the form the Devil takes for the Satanist. I have already written about this in detail in the grimoire "Gay Lust".

Allegory (from ancient Greek ἀλληγορία - allegory) is an artistic representation of ideas (concepts) through a specific artistic image or dialogue. Allegory is an artistic representation of abstract concepts and generalizations using specific figurative embodiments. The artist depicts and represents faith, love, soul, justice, discord, glory, war, peace, spring, summer, autumn, winter, death and similar concepts with living beings and specific images³. Anthropomorphism is a worldview concept expressed by nominative means of language, fine arts, etc. According to this principle, inanimate objects, living beings and fictional entities that do not have human nature can be endowed with human qualities, physical and emotional⁴.

Therefore, all artistic depictions of Satan are allegorical representations of our Teacher. More important than the painted image itself is the person's perception of the painting. It could be surprise, lust, delight and other feelings. It is precisely these feelings that are born from viewing the paintings in the SatanArt album that are important. It is these feelings that give spirituality to Satan or immerse the beholder in Satanism. Also, the paintings in the album convey the general aesthetics of Satanism - this is a special sensual satanic beauty. Therefore, in addition to immersion in satanic spirituality, albums of paintings instill in a person an aesthetic sense of beauty.

IMAGE SOURCES AND IMAGE COPYRIGHTS

Slut Sodomia took all the images for her album from open sources on the Internet. Many paintings are modified with available neural networks for image processing. If I know the name of the author of the picture, I indicate it. If I don't know the author's name, I don't indicate it. This document contains illustrations by various authors, and I include the artists' drawings in my album for scientific, educational or cultural purposes. This document is a free information source about Satanism. The authors of the works receive advertising of

their name and their work from the Antichrist Slut Sodomia, so I am not interested in any claims based on the laws of the SOCG and other evil. Artists of Satanism receive free advertising and promotion from the Antichrist. However, I think that none of the real Satanists will make claims against me. Selfish evil, the Pharisees and lawyers of the SOCG may do this, but I am not interested in the opinion of evil. All evil will be subjected to entropy by Satan, like all the rest of the information garbage of our world.

All copyrights belong to the authors of the paintings, and I cannot appropriate these rights in any way. By publishing paintings by Satanist artists, I popularize the authors of the paintings and the very aesthetics of Satanism.

ABOUT IMAGE FORMATS FOR SATANART ALBUM – PNG, WEBP, JPG

I published all the images for the grimoire of gay Satanism in PNG or JPG/JPEG format. For SatanArt albums of satanic art, I will additionally use the good and relatively new WebP format. WebP - (English WEB Pictures) image compression format, both lossy and lossless, proposed by Google Inc. in 2010 year. Based on the still image (key frame) compression algorithm from the VP8 video codec. Uses RIF container⁵. This format provides good image compression with decent quality. If you can't open WebP images, either update your software or install codecs that will allow you to see these images on your computer.

Most of all, I like the PNG format, which produces fairly high-quality images, which is especially important when printing books in a printing house or on a printer. PNG (portable network graphics) is a raster format for storing graphic information that uses lossless compression using the Deflate algorithm. The PNG format is designed to replace the older and simpler GIF format, and to some extent to replace the much more complex TIFF format⁶.

I also use the classic JPG/JPEG photo format, although, in my opinion, this format is inferior to PNG and WebP formats. Thus, for the collection albums of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt, I will use three image formats PNG, WebP and JPG/JPEG. I will not use other image formats in 2025, although new and better formats for digital graphics may appear in the future and then it is worth using new products if necessary.

DISTRIBUTION OF THE ART APPLICATION OF GAY SATANISM SATANART IN DIFFERENT DIGITAL FORMATS

Albums-collections of satanic drawings of gay Satanism SatanArt in electronic form are released by the author in two formats PDF and DOCX⁷. The e-book is free to download in any of these formats. Also, the graphical application of gay Satanism SatanArt is distributed in the form of a single ZIP archive file, which contains versions of the book in both PDF and DOCX formats. These are formats for publishing the images themselves with text titles and comments on satanic graphics from Slut Sodomia. Applications of Gay Satanism SatanArt is a useful addition to the Gay Lust grimoire for spiritualizing a person through the visual images of Satanism.

I have collected the satanic art pictures in a separate appendix so as not to take up a lot of graphics space in the Gay Lust Grimoire itself. You can download collections of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt on the Internet, on the Darknet

⁷ According to their purpose, electronic document formats can be divided into those that can be viewed and edited, as well as those that can only be viewed or only edited. For example, the PDF format is intended for viewing documents, and DOCX is intended for both viewing and editing.

on sites in the onion domain zone through the TOR browser or through torrents. Titles of paintings and text comments will initially be available in Russian and English. The texts of the comments in English are published in the English version of the SatanArt add-on - this is a separate file.

Thus, the visual application of gay Satanism SatanArt by Slut Sodomia “Collections of Satanic drawings, photographs and other graphics of gay Satanism for immersion in the spiritualization of Satan SatanArt” is available in the following options:

- In Russian – with titles and comments of satanic paintings in Russian in DOCX, PDF formats and their packaged version in ZIP format.
- In English – with titles and comments of satanic paintings in English in DOCX, PDF formats and their packaged version in ZIP format.
- The full version of the visual application of gay Satanism SatanArt with separately located pictures in PNG, WebP and JPG/JPEG formats, packed in a fairly large ZIP archive. DOCX, PDF + separate picture files in PNG, WebP and JPG/JPEG formats.

Portable Document Format (PDF) is a cross-platform open electronic document format originally developed by Adobe Systems using a number of PostScript language features. Primarily intended for presenting printed products in electronic form. There are many programs for viewing, as well as the official free Adobe Reader program. The book format as a PDF file is convenient to read and distribute electronically. Typically, no distortion is observed when opening this format on different operating systems and in different programs.

The DOCX format is a modernized version of the DOC format, and compared to its predecessor, this format is much more popular and accessible. A DOCX file is a document created using Microsoft Word 2007 or a newer version of Office from Microsoft. The file format is based on Open XML and uses ZIP compression to reduce file size. I recommend opening the DOCX file for work and editing in the original MS Word editor of this format from Microsoft, which is included in Microsoft Office 2019 and later. For reading and review, you can also use free programs that can open the DOCX format - LibreOffice Writer, OpenOffice Writer. Free programs may contain distortions in the document, offsets, errors in formatting and fonts. The author puts the book in DOCX format into the public domain for the purpose of publishing the book in paper form. This format can be conveniently formatted and edited.

ZIP is a widely used file archiving format that is used to compress one or more files in one location, reducing their overall size and making it easier to transfer data. Inside this archive there will be two book files in both PDF and DOCX formats, plus drawings of gay Satanism in the form of raster images.

To create ZIP archives and extract (unpack) the files they contain, special utilities can be used, for example terminal PKZIP and PKUNZIP or graphical WinZip, WinRAR, Info-ZIP, 7-Zip, PeaZip and many others.

FREEDOM OF DISTRIBUTION OF ANY INFORMATION

All this happens without censorship from the state, automatically in the space of the information field of our world. Good and necessary information will be in demand, and bad and harmful information will become unnecessary. Also, the distribution of this book-album should be completely free. I know for sure that the evil of our world will

recognize the main grimoire of gay Satanism as “illegal” and ban my book “Gay Lust”, as well as the music albums of Satanic songs and hymns SatanSongs and the albums of paintings of gay Satanism SatanArt.

Protect commercially important information and your personal information yourself if you need it. Your desire to withhold information is not a reason to prohibit public dissemination or discussion of this information. Any censorship and bans on information are an obvious evil. TRANSLATION OF THE ALBUM OF SATANIC DRAWINGS SATANART INTO OTHER LANGUAGES OF THE WORLD

The album SatanArt in the original (i.e. by Slut Sodomia) is written in Russian and English. Translate the book-album SatanArt into all languages of the world and distribute it in your language environment. The author of the book will be very happy about this. The more people can see satanic paintings and read the text titles-comments to them, from the SatanArt album, the better people will become and the more crushing the blow we will deal to the evil of our world. The visual power of art and the words of the Antichrist in the SatanArt album have a strong effect on the consciousness of man and his spiritualization by Satan. On the title page of my book, write your name as a translator or proofreader of my book if you will translate or correct errors.

DONATIONS TO THE AUTHOR AND COPYRATES WHEN SALES OF A BOOK IN PRINT AND ELECTRONIC FORM

Antichrist Slut Sodomia has done a lot of work creating art albums of paintings of gay Satanism SatanArt, working on compiling this e-book, searching for drawings on the Internet and compiling their descriptions for you. Four reasons to support the author financially:

The first reason is if you share the ideas of Satanism. This book is a guide and grimoire for established Satanists and for people just beginning to gain insight. Let their path be illuminated by my literary work and help them receive the spiritualization of Satan in full, using my grimoire as a navigator.

The second reason - if you think that the book is useful and valuable for members of the gay fraternity, Satanists and the entire LGBTQ+ community - support the author with any donation. The book about gay Satanism exposes the evil of our world and shows why it is the state, religion and the dark herds of evil, selfish, unspiritualized souls that are the main forces of evil in our world. It is not Satan and not man's spirituality with joy, pleasure, sexual lust that is evil, but evil is located precisely in our world itself. It was evil, in the form of the state and religion, that destroyed Jesus of Nazareth, who was a disciple of Satan, a spiritualized man, and this evil still oppresses your freedom 2000 years later since the life of Jesus of Nazareth in our world.

The third reason - if you want to see a new and expanded version of this book or new books by the author - support the author with any donation. You can make all donations using cryptocurrency - this way you and the author of the book will remain anonymous. What is very important in the world of total censorship and a total ban on freedom of speech throughout the world at the moment on issues that do not coincide with the official propaganda of states and the ideals imposed by these states.

The fourth reason is if you make money from my literary work by selling it.

You can sell my book; you can translate it and sell translations of my book. You can do this freely, and I will be only happy about that. If you sell the book in print, I ask for a modest 20% of the profit. My written or oral permission is not required to sell the book - you can publish and sell this book. For example, you can publish this book in the form of registered or numbered copies on high-quality paper bound in leather with gold embossing at a high price. Or you can publish the book as a mass edition with a large circulation to spread knowledge about gay sex and gay Satanism at an affordable price.

Or you can put my book up for sale on any sites on the Internet where documents and books are sold in electronic form. If you sell the book as an e-book, I ask for a modest 20% of the sale price. You don't need any permissions for this. I give you this permission here.

Transfer 20% of the profit (for paper versions of the book) or the amount of copies of the book sold (for electronic sales) to the author's cryptocurrency accounts in any available cryptocurrency. These will be sufficient royalties for the publication. All copyrights belong to the author of the book.

You make money from my book. Distribute my book for free and for a fee.

ABOUT ADDITIONS TO THE GRIMOIRE “GAY LUST” FOR DEPTH SPIRITUALITY BY SATAN

To deepen the spirituality of Satan, Slut Sodomia has prepared and released two additions to its grimoire “Gay Lust” into the Information Space of the Internet, Darknet and torrent network:

- Albums of Satanic music videos for immersion in the spirituality of Satan. Issues numbered. SatanSongs and QuasiSatanSongs are an occasional addition to the Gay Lust Grimoire. The lyrics have been translated into Russian. Lyrics in English are published in the English version of this supplement. Clips in MP4 format come as an appendix to this add-on. In total there will be 4 collections of satanic videos SatanSongs with 100 tracks each, plus there will also be an album of quasi-satanic songs QuasiSatanSongs about love, romance, lust. There is continuous numbering of compositions in all SatanSongs music albums⁸. Thus, there will be 500 video clips that help satanic spiritualization. The album QuasiSatanSongs has its own numbering of songs.
- Albums of fine art of gay Satanism for immersion in the spirituality of Satan SatanArt. Thematic issues of the application of fine arts of gay Satanism SatanArt under numbers. This is an occasional addition to the Gay Lust Grimoire. SatanArt Albums contains paintings and drawings of gay Satanism on specific themes that are related to Satanism or sexual lust. I will publish these albums regardless of the grimoire itself. All paintings in SatanArt art albums have continuous numbering, just like songs.

DON'T HESITATE TO BE A SATANIST!

I like the phrases “Don't hesitate to be a Satanist!” and “Don't be shy about being Satan!”⁹. They are multifaceted, and are aimed at calling people not to be afraid to receive satanic spirituality and not to be afraid to resist evil.

⁸ Continuous numbering implies a common numbering of objects in all albums of satanic musical compositions.

⁹ This is Satan's phrase. Our Spiritualizer Satan says this phrase to his children, the Satanists. The phrase does not refer to unspiritualized critters of evil who do not have satanic spirituality. And does not apply to mentally ill people.

NUMBERING AND CONTENTS OF COLLECTIONS-ALBUMS OF SATANIC PICTURES SATANART

The total number of collections and albums of satanic drawings and paintings of SatanArt is currently unknown. I would like to make about 100 albums if readers and the Satanic community like my work. Each SatanArt album will contain 100 drawings. There will be continuous numbering of all images in all music albums to organize the graphic material. Continuous numbering implies a common numbering of objects in all albums of satanic graphics SatanArt.

I dedicate the collection-album SatanArt №19 to the image of spiritualization by Satan and the allegorical image of the External Information Field. Human spiritualization is an invisible process of connection of human consciousness at the quantum level with the Universe or with other dimensions. For a Satanist, the most native dimension is Hell. Not all spiritualized people are Satanists. Most people on planet Earth are filled with evil and their spiritualization is at the level of "a computer without a network connection". Unfortunately, the lack of spiritualization gives birth to evil, stupidity, and decay in people. Bitch Sodomy would like the population of the Earth to decrease by 80 times, and each person to shine like a magic diamond with his aura of spiritualization. At the moment, planet Earth is overflowing with creatures of evil, and the shit of fascisms of all SOCG is simply bubbling with a stinking brown liquid. The value of a human being is lost among other similar biological creatures, the human species. In 2025, I have become more confident that spirituality differs among the peoples of the world. There are frankly disgusting peoples, such as Russian cannibals, descendants of androphages. Disgusting peoples are cursed, they do evil and their mentality is filled with vile evil, mixed with their stupidity. The damned do not resist evil - this is the basis of their curse. They themselves are evil and bio-garbage of planet Earth. The collection-album SatanArt №19 is puritanical, i.e. this album does not contain pornography or explicit erotica, and can be published on public Internet platforms with puritanical, sanctimonious and strict rules for content.

Рисунок 1802. Satanists love their satanic spirituality and Satan

Рисунок 1803. The desire for spiritualization. Not everyone can receive spiritualization from Satan (10-15% can) and not everyone will receive it (less than 1%)

Рисунок 1804. Satanic spiritualization occurs slowly, at the quantum level of the External Information Field. The exact principles of its operation are unknown to science, and they go beyond the boundaries of the reality of planet Earth.

Рисунок 1805. Satanist and her satanic spirituality. Witch and the forces of Hell

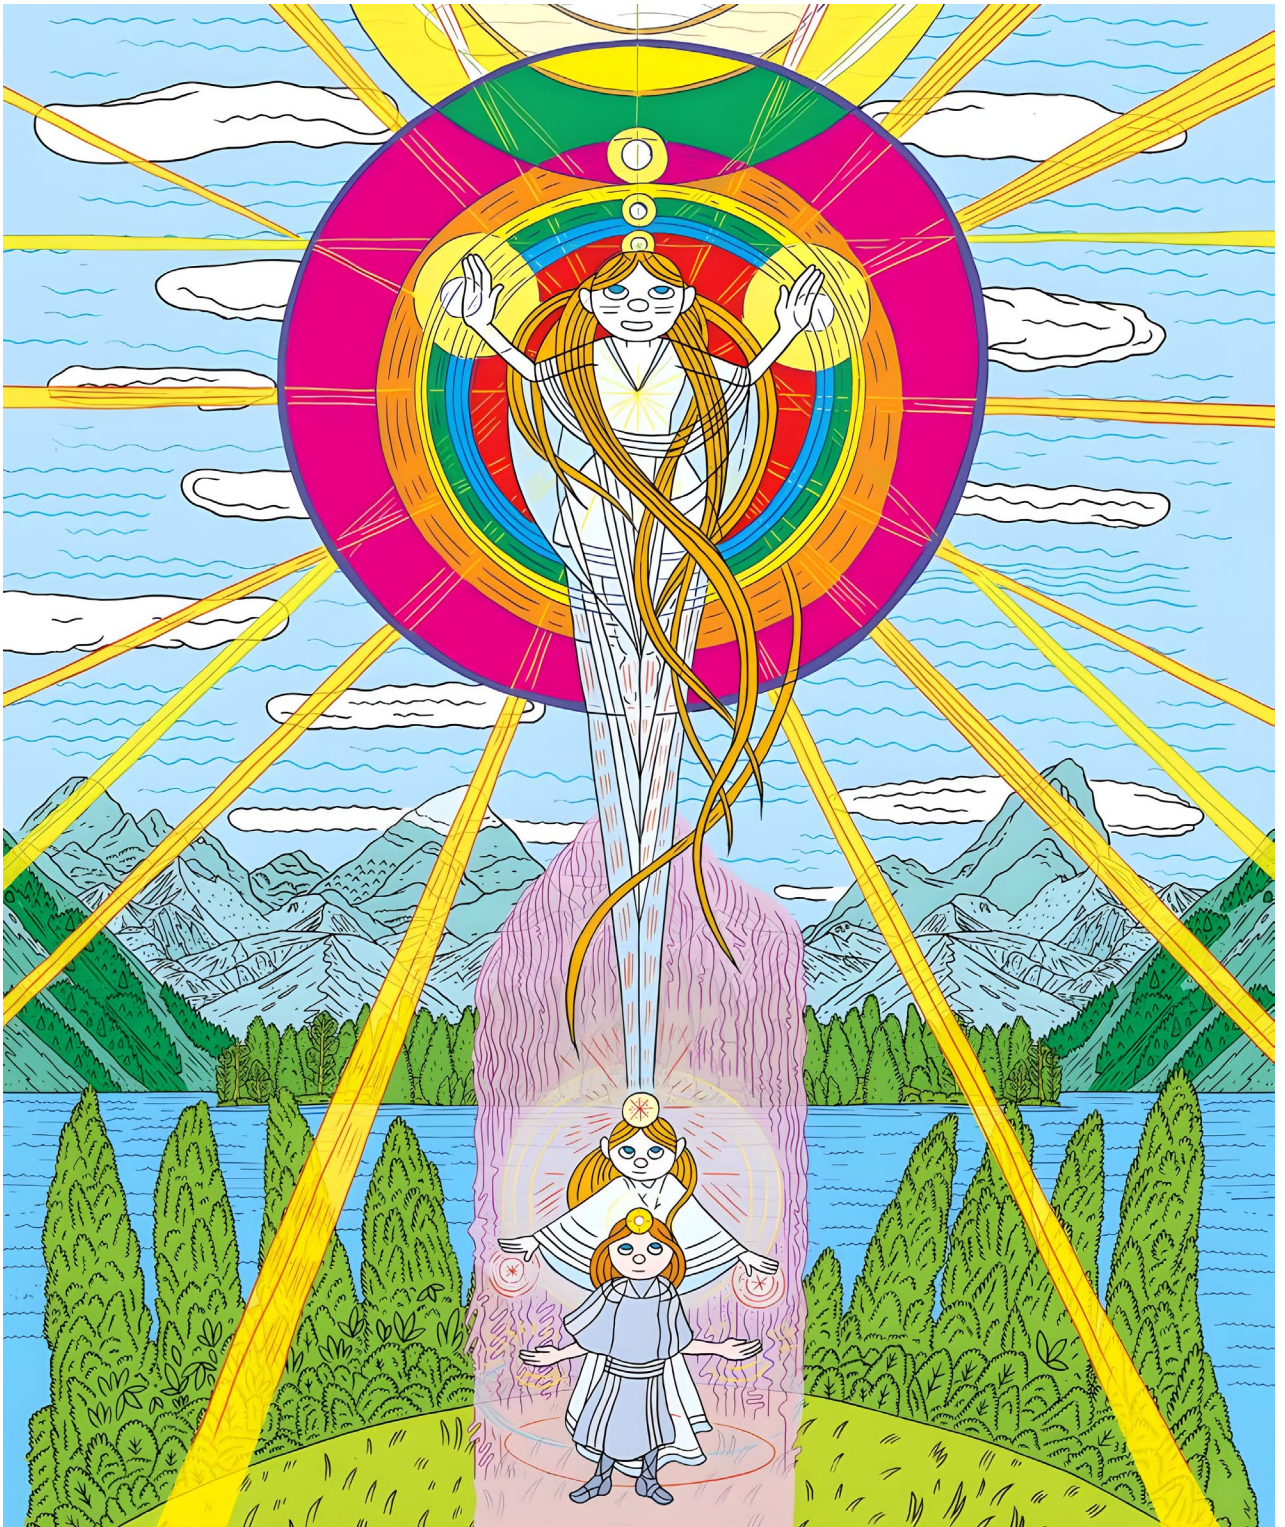

Рисунок 1806. Satanic spirituality elevates. Satanists shine with spirituality. Ordinary Satanists have a spherical halo. The Great Magicians of Satan have a halo in the form of a triangle. Creatures do not have a halo.

Рисунок 1809. Magic mushrooms and entheogens are the conductors and keys to gain spiritualization by Satan. For any person, the use of entheogens is desirable, and for a Satanist it is mandatory

Рисунок 1813. Everything is made of quantum information. All our thoughts, bodies and deeds carry information #4

Рисунок 1814. Satanism doesn't have to be dark and gloomy. Although, it can be.

Gay Satanism favors bright colors, not the gloomy colors of a monochrome gray-black palette. This is how gays and LGBTQ+ people are. The rainbow is our flag. The most Satanic color is purple. Purple is the official color of Gay Satanism.

Ручьок 1815. The forest world is the main visible spirit of Satanic magic. All mushrooms are conductors of magic, but not all of them are entheogens. All living nature is the spirit of Satanic magic.

Slut Sodomia loves the forest, meadow, plants, mushrooms. All animals are friends of Slut Sodomia, although I eat animals specially raised for food. I love to pick mushrooms in the forest and mushroom cooking. Many modern people have a poor understanding of edible and poisonous mushrooms, do not pick forest mushrooms, do not use mushrooms for food. This is not good.

I recommend connecting the study of mushrooms, mushroom picking with recreation in the forest. Recreation in the forest is not just entertainment. The forest is a balanced ecosystem and a living organism (a park is not a forest). Picking mushrooms is called a quiet hunt. The fruiting bodies of mushrooms do not experience any pain or any negative impact when they are collected. On the contrary. The more you collect the fruiting bodies of mushrooms, the better their mycelium gives birth to spores. Red and panther fly agaric grow in many forests of the world. Be sure to collect these types of fly agaric, dry them and enlighten yourself.

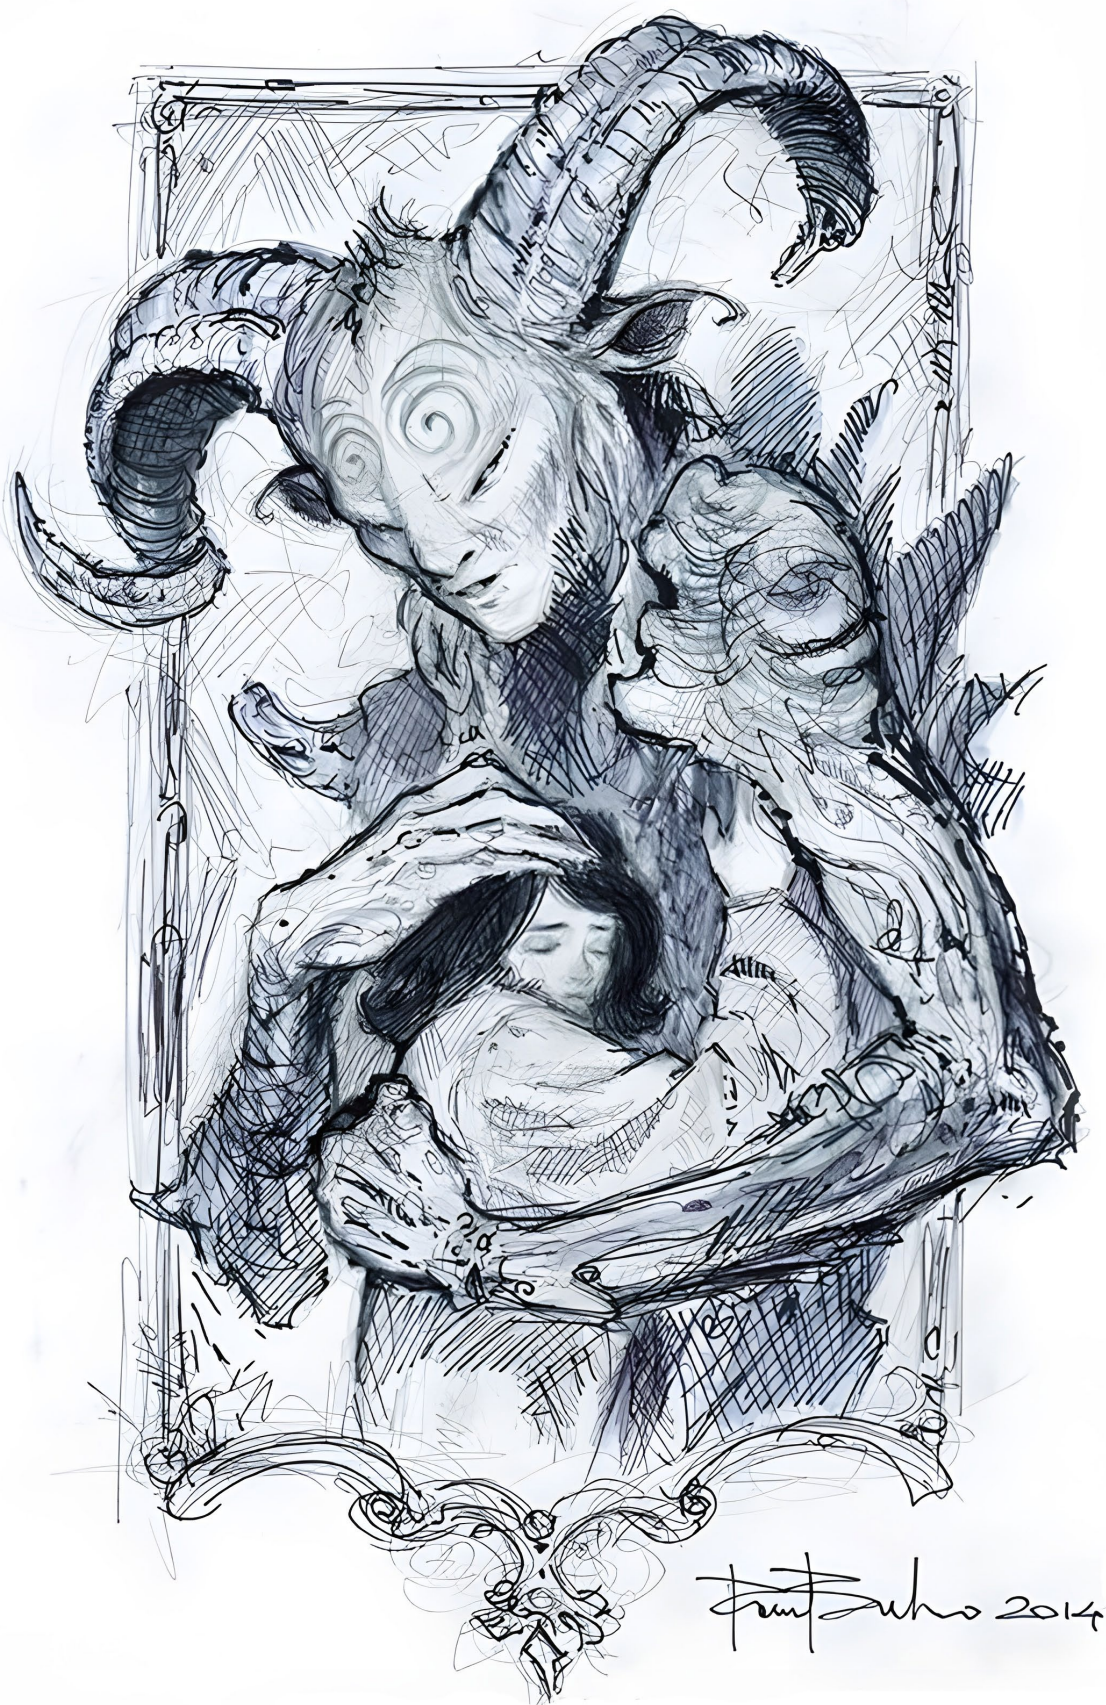

Рисунок 1817. Music is a conductor of Satanism magic. Listen to good music that increases Satanic spirituality. You can listen to any music. Just don't disturb other people with sounds.

Рисунок 1818. An image of spirituality in the style of Ancient Egypt.

Рисунок 1819. The music of Satanism and modern Satanists is often rock (or metal).

Рисунок 1820. Satanic spiritualization often begins in childhood, at birth. But it develops gradually

Рисунок 1821. Satanic spirituality is like music and different colors, inside the consciousness

Рисунок 1822. Satanic spiritualization gives the very understanding of evil and the power to resist evil. The main evil on Earth is organized criminal groups, states organized crime groups and religious sects (the so-called religions)

Understanding what evil is an important part of satanic spiritualization. To achieve this is not as easy as it seems. Especially among the constant lies and propaganda of evil on every corner. "From every iron" propaganda or its echoes are heard. For young people who are under the influence of their evil environment in the family or among the traditions of the place of residence, understanding evil becomes difficult. And if all these layers of propaganda of evil are flavored with religion, then the little person has no way to get out of the cycle of villains who surround him. Therefore, only internal enlightenment can give a person an understanding of who he is, who surrounds him and understand what is evil and what is good. It is the enlightenment of Satan that gives such magic. Kindergartens, schools, universities are part of evil and do not teach such things. These institutions teach to submit to the evil of the SOCG or the evil of religion. Choose SELF-EDUCATION, not schools of evil from the SOCG or sectarians

Рисунок 1823. Satanic spiritualization of a musician or music lover #1

Рисунок 1824. Satanic spiritualization of a musician or music lover #2

All good music gives inspiration. The question arises - how to distinguish "good music" from "not good music"? To be honest, I do not know the exact recipes. It is approximately the same as being able to distinguish blue from red or soft from warm 😊. I will not explain how to do this. Just know that there is weak, bad and even harmful music. You should not listen to it, because your inspiration will not increase. I will give one single criterion on how to distinguish "good music" from "bad music". Good music increases inspiration, and bad music does not increase it, or dulls, or lowers inspiration. Bitch Sodomy has compiled (as of 2025) 5 albums of musical compositions with good music of different directions SatanSongs. A total of 500 songs. I classify four albums SatanSongs as Satanic songs. One album is quasi-satanic and suitable for children or background music. These albums can be found on the Internet.

Рисунок 1825. Joy, music and dance sanctify not only Satanists. It is part of Satanic spirituality

In order to understand Satanism, practice Satanism, and increase Satanism in yourself, you need time free from physical survival or work. If you define this state in more detail, you need free time for meditation. Joy, music, sex or masturbation, dancing and doing nothing gives you the opportunity to comprehend yourself and develop Satanism in the best possible way. Bitch Sodomy loves rest, meditation, masturbation and sex. Suitable music enhances the effect of spiritualization by Satan and improves communication with the External Information Field for enlightenment. Of course, for some people, the best music is silence. Bitch Sodomy loves silence, the sounds of the forest and nature. Bitch Sodomy hates anthropogenic pollution and its sounds. Now, many people live in a world of anthropogenic sound pollution, modern slavery and they have no opportunity to practice Satanism or improve their spiritualization.

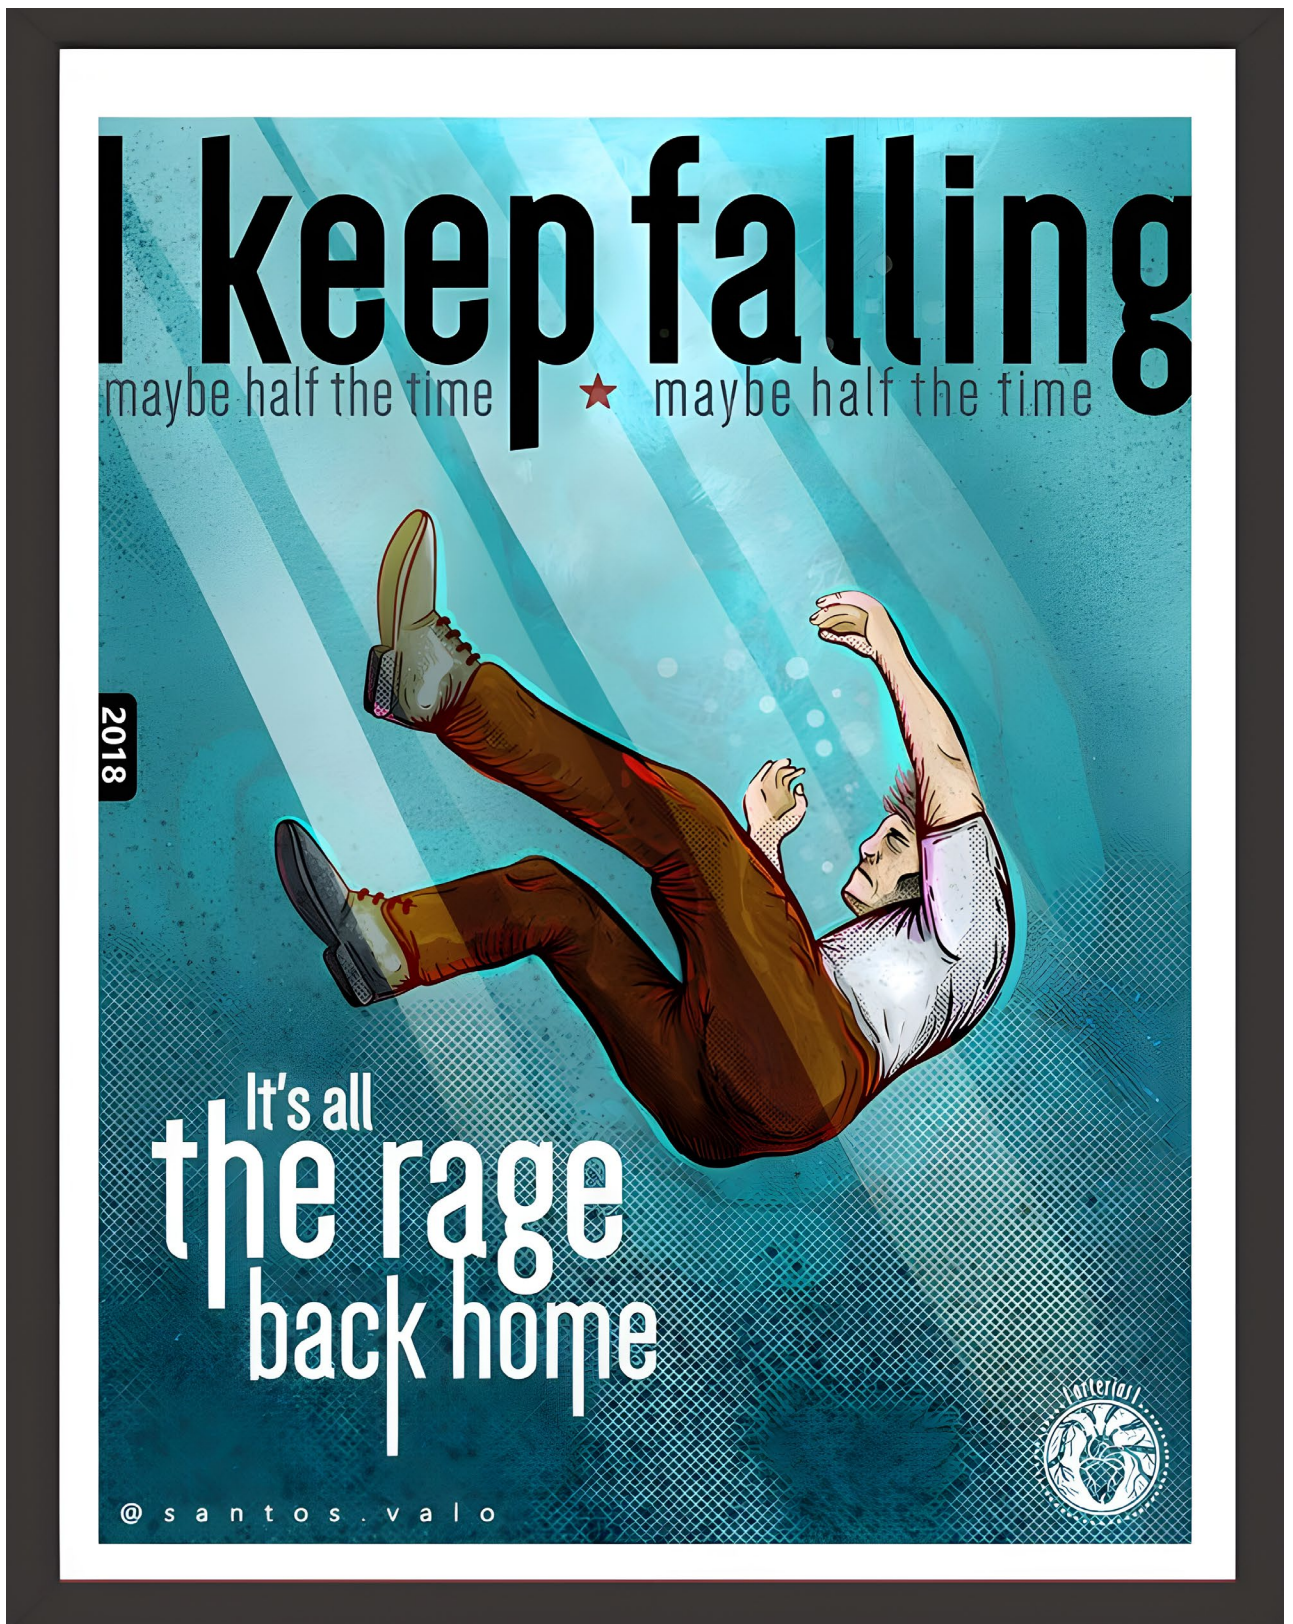

Рисунок 1826. Satanic Spirituality Poster: I keep falling... May be half the time... It's all the rage back home (in Hell).

Рисунок 1827. Entheogens and psychedelics help the Satanist connect with the External Information Field and the spirits of Hell. Red and panther mushrooms are an accessible and useful entheogen.

Researchers have long noted that entheogens have been used by humans to facilitate spiritual experiences. The use of psychoactive sacraments in shamanic and spiritual practices is found throughout history. The word entheogen, used to describe certain plants and chemicals when used for spiritual purposes, highlights this long-established relationship¹⁰. Entheogens have been used by different groups of people for thousands of years. Gordon Wasson and Giorgio Samorini have suggested several examples of cultural use of entheogens that appear in the archaeological record. Cannabis seeds discovered by archaeologists at Peidricus suggest that early ceremonial practices by the Scythians occurred during the 5th to 2nd century BCE, confirming previous historical accounts by Herodotus¹¹.

Рисунок 1828. Children of Satanism

Children can be born Satanists. They are natural born Satanists. Slut Sodomia is a natural born Satanist. Such Satanists are usually Witches or Great Magicians of Satan. There are not many such natural born Satanists and such souls also need time to develop and remember Satanism in their spiritualization.

The most common case is the transformation of ordinary children into Satanists, under favorable conditions. What are these conditions? Oddly enough, it is precisely the opposition to external evil that is fertile ground for the development of Satanism in adolescent children. Initial sexual perversion and introversion contribute to the spiritualization of children by the Spirit of Satan.

Adults corrupted by evil will not be able to be a suitable vessel for spiritualization by Satan, without applying certain efforts. Instead of spiritualization by Satan, evil already sits in them and without personal conscious efforts it is difficult, but possible to drive out this evil. Entheogens are very helpful. If a person belongs to a genetically-generic group of the damned, then no entheogens will help him. Usually, we call this group a nationality, tribe or inhabitants of a certain country. For example, no psychedelics will help the Russians - they are just damned cannibals-androphages and their evil is strong. These people are degenerates and mental freaks. The term Russians includes different tribes, nationalities and their mixed hybrids. They live in Russia and have already scattered around the world, with their infection.

Try to break away from the circle of evil that surrounds you. The easiest option is to move to another country. However, you can bring the curse and evil to other places. Evil and fascism can spread like contagious diseases. Therefore, this option is preferable for already spiritualized people. Personally, I don't want the critters of evil to emigrate from their cesspool of evil throughout the world, spreading their vile spirituality and, especially, religiosity.

ADDITIONAL INFORMATION ABOUT GAY SATANISM FROM ANTICHRIST SLUT SODOMIA

I hope that my selection of digital Satanic paintings, drawings, photographs and other graphics of gay Satanism for immersion in the spirituality of Satan SatanArt will be useful to people, and you will find interesting images for yourself in my selection. Visual art for those who are already Satanists and for those who are just thinking about becoming a Satanist and are looking for a connection with Satan for their spirituality. Of course, these paintings can be viewed simply as beautiful masterpieces of fine art 😊, without being tied to the ideas of gay Satanism.

If you are interested in the topic of gay Satanism, you can download and read other books from Slut Sodomia:

- Grimoire of Gay Satanism “Gay Lust.” This is the main grimoire of gay Satanism. This is a magical book that allows me to become a Satanist, helps me see the evil of our world and destroy this evil.
- Albums of Satanic music videos for immersion in the spirituality of Satan, which I call SatanSongs collections. In 2024 I created 4 SatanSongs albums + 1 quasi-satanic album QuasiSatanSongs.

The Gay Lust Grimoire is intended for both experienced Satanists and novice Satanists who want to deepen their spirituality with Satan or even gain it. The grimoire “Gay Lust” is a navigator for a Satanist and a conceptual basis in the fight against the evil of our world. There are Satanists not only among gays themselves, but also among straight people inspired by Satan. And that's great! It turns out that gay Satanism and my book are for all people in whom the fiery rage of sexual perversion burns, as an important element of spirituality by Satan. The book “Gay Lust” is a rebellion and liberation of your consciousness from the dungeons and frames of consciousness imposed on you by the system of the regime, religions and homophobia. The book is a grimoire of gay Satanism with the ritual of Summoning Satan and a code of principles of gay Satanism. The Gay Lust Grimoire is a training manual for passive fagots, active gays and trannies. The grimoire “Gay Lust” liberates the sexuality of any person and throws off the shackles of puritanical hypocrisy.

The grimoire “Gay Lust” is distributed completely free of charge in electronic form. You can freely download, quote and distribute the grimoire book. Look for the grimoire of gay Satanism “Gay Lust” on sites on the regular White Internet, Torrent trackers or on the Tor network on ONION sites.

Applications to gay satanism are satanic music and graphics:

Collections of Satanic music videos, created either by Satanists or non-Satanists, but they are devoted to the theme of Satanism, in the understanding of Slut Sodomia. The words of these songs are about Satan, or about Satanists, or about the liberation of people from the power of evil, or other quasi-Satanic themes. Songs of completely different genres! Their main feature is that good music inspires. At the time of completion of the first version of the grimoire, Slut Sodomia had collected 500 gay Satanism music videos:

2. Album of Satanic music videos for immersion in the spirituality of Satan. SatanSongS Nr. 2

2. I will post text albums with these songs for free, in the form of DOCX and PDF files. You will be able to read the lyrics and a list of these songs.
3. For a fee, I will sell archival video compilations of Satanic music videos, each containing 100 songs. Initially there will be 5 archival collections of satanic music videos. Having a local copy of Slut Sodomia's satanic music videos on your computer or music media center is convenient. You don't have to search for these songs on the Internet yourself. The paid version with the archive was made in order to support Slut Sodomia, as the author of this collection and as the author of gay Satanism. Therefore, the payment for this musical content is conditional and voluntary 😊. Paid versions of music videos will be available without the logo and with the gay Satanism logo, and in maximum quality.

It is possible that I will create additional music albums of satanic videos if necessary.

Collections of satanic drawings, photographs and other graphics of gay Satanism were created for the most part by spiritual people, most of whom are Satanists or LGBTQ+ people. The themes and genres of these drawings are completely different, but they are united by the fact that viewing these drawings spiritualizes a person with Satan on a subconscious and conscious level. More precisely, these collections of satanic drawings can be called the visual aesthetics of gay Satanism. Of course, visual aesthetics spiritualizes a person.

There will be free and paid placement of drawings of gay Satanism:

1. For free, Slut Sodomia will publish satanic pictures with the logo of gay Satanism on the Internet, on the Darknet, in torrents and in Telegram. These pictures will be posted, each separately. The quality of these drawings will be lower than in paid collections.
2. DOCX and PDF collections of satanic drawings of gay Satanism, each containing 500 drawings, will be sold for a fee. In paid DOCX and PDF collections of graphics of gay Satanism, the quality of the drawings will be maximum. There will also be no gay Satanism logo on the drawings themselves. The collections will be thematic and periodic. The annex to the collections will include ZIP archives with individual images in JPG / PNG / WebP formats.

The drawings in paid collections will be divided into thematic sections. I will give an approximate composition of the topics to which the drawings of gay Satanism will be devoted, in accordance with the short names of the directories (in order to roughly understand the composition of the graphics of gay Satanism):

ABOUT THE DEVELOPMENT, IMPORTANCE AND USE OF CRYPTOCURRENCY

I am writing this chapter about the development, meaning and use of cryptocurrency in 2024. Now, cryptocurrencies, as a means of speculation, investment and payments, are already working quite well, although for most people on planet Earth, crypto-coins are more of a mysterious phenomenon than an applied financial instrument. Slut Sodomia is very glad that a wonderful alternative to fiat money¹² issued and controlled by SOCG has appeared. The name of this alternative is cryptocurrencies, Bitcoin and all the altcoins of the world¹³.

Cryptocurrency opens up enormous opportunities to get rid of the evil of SOCG on our planet Earth. It is control over material values that allows the SOCG to rule, mock people, dictate their laws and do various evils in our world (including wars, prisons and collecting tribute from the population). The material wealth of the SOCG is based on: power, evil and money. If the SOCG is stripped of its power over the financial control of money, it could significantly undermine the SOCG's power throughout the world. Cryptocurrencies operate outside of the SOCGs and do not need them.

Lately (since about 2015), the vilest SOCG's have been trying to stick their ugly nose into the control of cryptocurrency, its circulation and use. SOCG began to choke cryptocurrency enthusiasts and large financial speculators in cryptocurrency around the world. SOCG of the USA and Europe require registration and verification of the identity of people who use cryptocurrency on public platforms online and offline. Evil really wants to take control of cryptocurrency, and thereby strangle people's financial freedom. Evil does not want people to leave the orbit of the influence of the SOCG over money. Evil wants to destroy the very idea of freedom of cryptocurrency and the anonymity of its users.

It is very bad that many financial speculators - exchanges, exchangers and crypto-wallets have followed the requirements of the SOCG and force users to play by their rules. It's very bad that among crypto enthusiasts there is little talk about refusing collaboration with the evil SOCG. More and more cryptocurrency circulation is becoming dependent on the evil of the SOCG and its directives.

¹² https://ru.wikipedia.org/wiki/Фидуциарные_деньги Wikipedia. Fiduciary (from the Latin fiducia - trust), fiat (from the Latin fiat - decree, instruction, "so be it"), symbolic, paper, credit, unsecured money - money not backed by gold and other precious metals, the nominal value of which is established and is guaranteed by the state regardless of the cost of the material used for their manufacture. As a rule, irredeemable for gold or silver. Often, fiduciary money is used as a means of payment on the basis of state laws obliging it to be accepted at face value. The value of fiduciary money is maintained by people's belief that they can exchange it for something of value. The decline in the authority of state power leads to a decrease in the purchasing power of fiduciary money, that is, to devaluation, "flight from money" (attempts to maintain its purchasing power through investment), etc.

¹³ Bitcoin started the era of digital crypto assets in 2009. The shortcomings and limitations of the first cryptocurrency, as well as its open-source code, led to the fact that developers began to create other coins. They are called altcoins.

I urge the community of cryptocurrency developers at any level not to collaborate with the state and not to obey their gangster rules. SOCG is simply an evil crook in the field of cryptocurrency technology who wants to rape and subjugate this technology and the users of this technology. Don't let the evil of SOCG deprive you of financial freedom and an alternative financial future outside of states and without states. This was a philosophical preface about cryptocurrency, let me move on to the practice of using crypto-coins.

For beginners, I recommend entering cryptocurrency by opening and creating a non-custodial crypto wallet, which allows you to ensure security and convenient management of your cryptocurrency. Such wallets provide users with complete control over their funds, eliminating the participation of third parties and minimizing the risks associated with hacking or fraud. A non-custodial wallet is a computer program and a type of cryptocurrency wallet in which only the owner has full control over his funds and private keys. The wallet does not store personal information and does not have access to assets. When you create a non-custodial wallet, you are usually given a private key or a seed phrase (a series of words that can be used to generate a private key). This information is not stored by third parties and it is important that you keep it secure. If you lose it, you will lose access to your funds and there is no way to recover it.

In 2024-2025, the most popular, convenient, reliable software crypto-wallets, in my subjective opinion, are the following non-custodial wallets:

1. Exodus <https://www.exodus.com/>
2. MetaMask <https://metamask.io/>
3. Trust Wallet <https://trustwallet.com/>

Install these programs (one or more), downloaded from official websites, on your computer and begin to master entering the new era of electronic money, outside of states. These programs allow you to buy

cryptocurrency with fiat money (dollars, euros and other currencies), make payments to other people's cryptocurrency addresses, and receive payments to your crypto wallet. Installation of these programs is quite simple and available for the most popular operating systems. After successfully creating a crypto wallet, you can send some crypto coins to Slut Sodomia to the details provided in this document if you like Gay-Satanism and the work of Slut Sodomia. I will be happy, and you will check your crypto wallet in action 😊.
